FOLDING INSTRUCTIONS

1. Trim on dashed line, leaving an 8.5 x 8.5" square.
2. Color each heart a different color.
3. Fold two opposite diagonal corners together, then open back up.
4. Fold the other two opposite corners together, then open back up.
5. Turn paper printed side down. Fold all four corners to the center.
6. Flip the paper over so the hearts are face down.
7. Again, fold all four corners to the center of the paper.
8. Fold any two sides together. Make sure the numbers are in the inside, hearts on the outside.

PLAYING INSTRUCTIONS

1. Slide your thumbs and fingers under the four flaps.
2. Move your hands, bringing your thumbs and index fingers together.
3. When you open and close it, open it once to the left and the right, and once to the front and the back.
4. With the Cootie Catcher closed, choose one color heart. Then close-and-open the Cootie Catcher once for each letter in the color, leaving it open at the end so that you see four numbers inside.
5. Choose one of the four numbers, and close-and-open the Cootie Catcher that many times, again ending with it open.
6. Choose one of the four numbers, and lift up that flap to reveal your fortune.
